COMMUNITY EMERGENCY RESPONSE TEAM PROGRAM FOR 2023

The CERT Program educates citizens about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help.

CERT members also are encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community. All citizens are encouraged to take the CERT training. There is no requirement to join the active CERT team. Our philosophy is that a trained citizen is a better-prepared citizen. This training is completely free of cost! The training dates and times are as follows:

Friday, January 20 —6:30 to 10 pm
Saturday, January 21 —8:30 am to 5 pm
Sunday, January 22 —1:00 to 5 pm
Friday, January 27 —6:30 to 10 pm
Saturday, January 28 —8:30 am to 5 pm
Graduation Drill in Afternoon

The location of this training will be at the Galveston County Office of Emergency Management at 1353 FM 646, Dickinson, 77539.

You need to attend all the class session and times to complete the academy. Some missed time can be made up by turning in an outline of the material missed in class, but you cannot make up the work on Saturday, May 28th, in the afternoon. If you must miss the class and drill on the 28th, it can only be made up with another CERT Academy in the near future.

All materials will be provided for you, and you will receive emergency supplies and personal protective equipment. Minors, 13 and older, are welcome, but must be accompanied by an adult or parent.

Something good on every page!

We reached out to The Seabreeze News Christmas division to get to the bottom of all the Christmas shenanigans going on in the Bay Area. If you are looking for: Christmas dinners, New Year's Day dinners, New Year's Eve Parties, balloon drops, toy drives, bike giveaways, golf cart parades, shopping with free gift wrapping, fireworks, you can also win a BIG stocking, stuffed full of fun stuff, and just all around fun holiday events, look no further. The wonderful

advertisers in the Seabreeze News have something for everyone. What a great time of year to be a kid! There is so much going on for the little tykes (most adults are wishing they were a kid).

As you navigate through The Seabreeze News, you will find so much going on for the kids. The Kemah Boardwalk has a crafts corner and a kid's New Year's Eve bubble countdown. The Fraternal Order of Eagles #3199 in Bacliff is having a kid's Christmas party with Santa. O'Neals On The Water will again hold their Blue Santa. They collect bikes and distribute them to preselected children in Baytown.

The American Legion Post 291 in San Leon will host a breakfast with Santa! They do have a great breakfast for a great price. The San Leon Volunteer Fire Department will have a golf cart parade. Find the parade route and line your kids up with a bag for all the candy and goodies that the golf carters will throw from their golf carts. After the golf cart parade, make sure you make your way to the SLVFD for toy and bike giveaways, pictures with Santa, and much, much more. El Mina Shriners will have a magic show with a raffle for some great presents from Santa.

**** Be patient. Santa will have a busy month ****

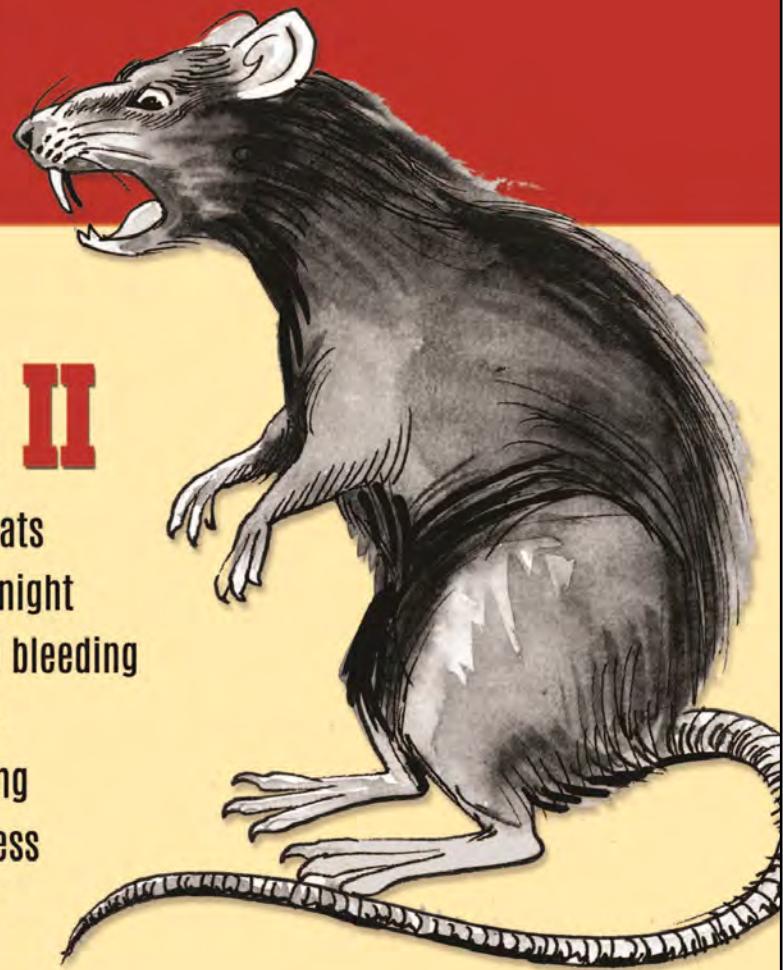

There is so much going on for the kids. I realize most of you are thinking all we got is what Santa put under our Christmas tree. A lot of the bars and clubs have scaled back their New Year's Eve celebrations due to the liability, but we do have some places that will have New Year's Eve parties. The American Legion Post 291 will have a great party with a balloon drop and all the hoopla. O'Neals On The Water will have a New Year's Eve Party and anyone that takes an Uber, Lyft or if you have a designated driver, will be entered into a drawing at midnight for \$250.00. The Kemah Boardwalk will have live music and you can make reservations for a dinner cruise. They will also have free fireworks for everyone. Most places will have a champagne toast, except the San Leon MUD and the Texas City Feed Store, definitely not the Feed Store. If any of this appeals to you, look through The Seabreeze News and find out much, much more.

**** Please take an Uber or something if you plan on drinking. Please don't drink and drive.**

Letters To The Editor

has eaten baby food! How could any company sell baby food that is contaminated with heavy metals? Shouldn't there have been something in place to make sure we are not feeding our children something that could possibly harm them? If you go online, the lawsuits are unbelievable.

**Signed,
Suit Happy**

Dear Suit Happy,
I don't think in this day and time I would not want to sell any products. I also know that you can just disagree with someone and you can get a lawsuit filed against you. That doesn't mean the lawsuit will go through, but they can file and put that stress on you. Please be careful out there, there is some suit happy person watching.

Dear Editor,
My parents are in their late seventies. Before the pandemic they were very active, bingo on Sundays, movies on Wednesdays. They would take cruises, long drives to the countryside or up to Maine. To be honest, I was very jealous.

When the pandemic started, we all took precautions. We wore masks, used hand sanitizer religiously, and sprayed everything down with Lysol. Starting around May of 2020, they quit hosting Sunday dinners and made all kinds of excuses for me and my two sisters not to stop by for a visit. They got to the point that they would have their groceries delivered to the garage and Mother would wear gloves and a mask, go spray the groceries with Lysol, and wait an hour before bringing them in. When the pandemic started, the news would say that the virus can live on several surfaces for so long. They clung on to every word that the news was putting out there. I do believe a lot of us did. In December of 2021, we finally got together as a family for Christmas. There were certain guidelines that we had to follow but I would do anything to see my parents again. We could not bring gifts, purses or any outside items that could carry the virus. I won't go into the other extreme things, but we did it to see Mom & Dad. Fast forward to October 2022. We do have our family Sunday dinners again and they have relaxed on the rules for visiting. What concerns me is they do not leave the house. Everything they need is delivered to the garage and sprayed with Lysol. How can I assure them that it is safe to go out to dinner or the movies?

**Signed,
Worried in Santa Fe**

Dear Worried,
I'm sorry, but you can't assure your parents that it is safe. The virus is still out there. There have been people that have had both vaccination shots and have gone to get three booster shots and they have contracted the virus. If your immune system is compromised, by all means take precautions. Your parents are in their late seventies, if they are comfortable at home, don't push them to go to bingo or a cruise where they probably would not be comfortable.

Dear Editor,
With Christmas around the corner, I want to remind everyone that there are a lot of porch pirates on the lookout for your deliveries. It's terrible that people are riding around looking for packages on people's porches. My best advice is to have your packages delivered to your work or a neighbor's house that is always home. I think it's a shame that it has come to this.

**Signed,
Sad in Sunny San Leon**

Dear Sad,
I completely agree. It is sad that it has come to this. I saw a post on Next Door where someone bought a new tv and put the broken one in the box that the new tv came out of and they placed it on the porch to take it to the dump later that day. After a little bit they went out and someone had stolen the new box with the broken tv in it. Karma at its finest!

Years ago I lived in Beaumont and someone kept stealing my Sunday newspaper. I worked nights so I was asleep when the paper was thrown in my yard. After two months of this going on, I decided to get even. I took three papers from that week and put cat poop and litter in the papers, rolled it up and put in the plastic that the papers come in. At 5:00 a.m. they threw my new paper, I ran out, put the cat crap paper out and grabbed my new paper. The problem was solved!

Dear Editor,
In case you didn't know, if you spent time on base at Camp Lejeune between 1953 and 1987 you could be entitled to a substantial settlement. This includes any civilian employees. If you call one number and don't like what they say, just hang up. There are plenty of other attorneys to call. By all means, if you did spend time there and later developed cancer or other illnesses, call and get in on the settlement. Why has it been 35 years and this is just now coming out? Those people were The United States Marine Corps! I agree with the Camp Lejeune settlement, but when did we as a society become so damn suit happy? It seems like every commercial is about a class action lawsuit. If you weren't at Camp Lejeune, just watch that TV a little longer. There will be a commercial that applies to you. Have you ever had heartburn? What did you take for it? If you answered Zantac, yes, there is a lawsuit for that. Perhaps years ago you were subcontracted out to Southwestern Bell. Well, those tiles that you were drilling through to anchor those bays down, they were asbestos-filled tiles. You should get checked for mesothelioma. And if you did the laundry of someone that worked with asbestos, you also need to get checked. They have now linked ADHD and Autism to baby food, like Gerber and other brands. Everyone reading this

San Leon Don's FISHING TIPS
Don is on a first name basis with most of the local fish...

The weather has not been what you call a fisherman's delight but some specks are showing up around San Leon. When you get the weather to cooperate on a decent day, specks are around piers, especially on nice sunny days.

Reds are easier to find even in muddy water, just keep casting as you troll the shoreline using a gulp with a 1/4 oz. jig head.

I use the same for specks. If you find them, they will eat em.

I know we are all looking forward to December 15th so we can catch some flounder. I believe there will still be some we can catch.

DEAR STEVE'S WIFE TRAINING SCHOOL TIPS FROM A GRADUATE

A Christmas Poem from Dear Steve's Wife Training School

Tis the night before Christmas in Sunny San Leon. And my husband was stirring to go to the bright neon.

His buddies he called in the midst of the night, Hey Curtis, Hey Stevie, Hey Guy and Shane, Hey Marcus, Hey JoJoJo, Hey Goose, Meet at the Sunset Lounge, I hear there's a party and it's time to cut loose.

Back at home with the beagles all nestled in bed, Visions of chores danced through my head.

Into the kitchen I went with no delay, I must get this turkey ready for Christmas Day!

All through the night, Dishes, laundry, and the floor. I must have it all done before a quarter to four.

When suddenly out the window headlights did appear, Why, it is not even midnight and who's on that John Deere?

Then through the door, low and behold, It was our new Mayor Solano with a mighty load.

His belly full of beer, his heart full of cheer, and all of his buddies in tow, my husband was home. Gee thanks Mayor Solano!

And just as I thought I do not have the time for this, who did appear? Why it was our new first lady Courtney packing snacks and plenty of holiday cheer!

Let's open this place she said as she turned on the lights. These men need tending too, and I have only one Dear Steve Wife Training School class so I can walk on graduation night.

I watched with amazement as she quickly fed them sammiches and one last cold beer, then one by one she loaded them up in the Mayor's big John Deere.

I thanked the Mayor and First Lady with Christmas delight, thank you for coming and saving the night.

As they drove away, I heard the Mayor say, May your grass be green, your trees stand tall and remember your new Mayor can take care of them all.

Merry Christmas and Happy New Year! Sending love and thanks to everyone who continues to make San Leon, Texas a Great place to live!

As we head into the holidays, now is as good a time as any to revisit the guidelines for pickup with Texas Pride. While Texas Pride provides recycling and trash bins to each residential property, you can also place additional waste in trash bags or personal containers so long as they are specifically built to be used as trash cans. You may use personal containers for recycling as well, just be sure they are clearly labeled (free labels available at the District’s office). Drums or barrels are not allowed and may be disposed of. Two large items are allowed per pickup day; anything beyond that will need to be coordinated as a special pickup directly with Texas Pride. Be sure to have your bins out early as pickup can start as soon as 6 AM!

IN MEMORIAM

PETER STANLEY DONZEELLO

Peter Stanley Donzello, 74, of San Leon, Texas passed away on October 30, 2022. Peter was born June 5, 1948, in New London, Connecticut to loving parents Anthony Carl Donzello and Lillian Woods Donzello. Peter will be missed by all who knew and loved him.

He was preceded in death by his parents; brother Robert Donzello; sister Diane Lyn Todd; and brother David James Donzello. Peter is survived by his best friend and love of his life for 36 years, Terri Lynn Donzello; brother Anthony (Tony) Donzello; stepson Chad Hartsook and wife Rebecca Hartsook and two wonderful grandsons, Jonathan and Kyle Hartsook, who he is extremely proud of, as well as numerous nieces and nephews.

Peter went to Morgan School in Clinton, Connecticut, played tuba in the band, and was Student Council President. He is a graduate of

Central Connecticut State College, graduating with Honors. Peter is a U.S. Army veteran (1969-1971) honorably discharged.

Peter loved music and dancing with his bride...as he lovingly called Terri. He was a passionate baseball fan, particularly the Astros, and you rarely saw Peter without his beloved yellow hat.

He wore many hats throughout his career. To name a few, Director Program Development, Medical Technician, Director Administrative Services, Unit Manager of OB/GYN Nursing, Holter Analyst reading EKGs, Business Manager, Unit Manager of Psychiatric Nursing, Manager for Healthcare Information Systems, Manager for Nurse Staffing Office, System Analyst, and he retired as a Financial Analyst. Peter retired with over 30 years of service with University of Texas Medical Branch in Galveston, Texas.

A poem Peter wrote in school when he was 11 years old:

"Poems are so tough
I write two lines and that's enough."

DENNIS PATRICK MURPHY

Dennis Patrick Murphy, 67, a resident of League City TX, passed away November 9, 2022, in Webster, TX. Dennis was born in Wellsville, NY, on February 3, 1955. He served his country in the U.S. Marine Corps during the Vietnam era.

Dennis lived in Beaufort, SC for several years then moved to Texas in 1982. Dennis attended Alvin Community College where he received his Basic Peace Officer Certification in November, 1993. He began his career with Galveston County Constable Precinct 8 in 2001. Over his 20+ years in law enforcement, he received numerous Commendations to include being recognized by Governor Rick Perry for "heroic actions in the roadside delivery of a baby girl." He achieved Master Peace Officer certification in February, 2016, and holds a TCLEOSE Instructor Proficiency Certificate from the State of Texas. Hometown Bank of League City was his home in the afternoons from 4-6pm where he performed Security for over 18 years. His training, expertise, and diligence enabled him to perform his

duties, which included civil process, court security, and patrol duties. He also provided support to our local school districts and provided lifesaving intervention when needed. Dennis retired from Galveston County in February, 2022.

Dennis never met a stranger. He was loved by everyone he met. Whenever he could help out, you could count on him. Being outdoors, fishing with his wife and driving down a county road would bring a smile to his face. His six grandchildren were always on his radar. Pets, Liberty and Tex, were some of his highest priorities.

Dennis is preceded in death by his parents, Daniel and Dolores Murphy, and brother, John Murphy.

Dennis leaves behind his wife of 28 years, Nancy Murphy; sons: Dennis Patrick Murphy II, wife, Elizabetha; and Aaron Jay Murphy, wife, Sydnee; six grandchildren, Dennis Patrick III, Dillon Patrick, Sean Patrick, Leyah Ann, Alex Jay and Katie Lynn; sisters Julie Rickicki, Jean Frank, Tina Miller, Lisa Stissor; and brother, Daniel Joseph Murphy III.
