## GET OUT AND VOTE!

Some voters will read every piece of literature that a POLITICIAN will print out on a pretty glossy postcard, or that are passed out at their "meet and greets" held at restaurants. (*beneficial for the restaurants too*) Some voters will show up at all the events a POLITICIAN puts on, because they read all the pretty glossy print outs that are left all over town or they receive in the mail. They are also wooed by the free t-shirts, hats and yard signs. Before you put on the hat, t-shirt or put that sign in your yard, we encourage you to do your own research!

Be that voter who researches jobs that the candidate has held for the last 30 years, research the accomplishments they have made in the last 30 years, are they a family person? If they don't care about family they sure won't care about you.

The most important thing is to get out and vote! You can take three signs from a man running for office and put them all over your yard, there are two reasons for doing that.

#1 You believe in the policies they say will go into place, just like you read on the pretty glossy's

#2 Your neighbor is voting for the other guy and you just really want to piss him off.

Get out and VOTE! Remember they can't take office if you don't put them there and if you don't get out and make your voice heard, the wrong person could end up in office.

### Early Voting Dates

Tuesday, February 20, - Friday, February 23, 2024-----8:00 am – 5:00 pm

## Delivery Date Changes to Come

The Seabreeze News has always printed on the first Wednesday of the month and delivered the next day, Thursday.

This month the first Wednesday fell on the 7th and the paper was delivered on the 8th. This is already going into the second week of the month and a lot has happened.

This works for Debbie and I, we get a few more days to work on the paper, but it doesn't always work for the advertisers. We have some advertisers who change their ad each month and this could cause a scheduled event to not be advertised. We have to be more flexible for our advertisers and readers. I will post on Facebook when we will deliver the paper.

We appreciate and want to thank all our loyal advertisers and readers.

# FUNNY BONES

## FROM THE BLONDE FILES

A guy took his blonde girlfriend to the Super Bowl game. They had great seats right behind their team's bench.

After the game, he asked her how she liked it.

"Oh, I really liked it," she replied, "especially the tight pants and all the big muscles, but I don't understand why they were killing each other over 25 cents."

Dumbfounded, her boyfriend asked, "What do you mean?"

"Well, they flipped a coin, one team got it and then for the rest of the game, all they kept screaming was...Get the quarterback! Get the quarterback!"

I'm like .....Hellooooooo? It's only 25 cents."

There was a blonde who just got sick and tired of all the blonde jokes. One evening, she went home and memorized all the state capitals. Back in the office the next day, some guy started telling a dumb blonde joke. She interrupted him with a shrill announcement,

"I've had it up to here with these blonde jokes. I want you to know that this blonde went home last night and did something probably none of you could do. I memorized all the state capitals."

One of the guys, of course, said, "I don't believe you. What is the capital of Nevada?"

"N," she answered.

A blonde, wanting to earn some money, decided to hire herself out as a handyman-type and started canvassing a wealthy neighborhood. She went to the first house and asked the owner if he had any jobs for her.

"Well, you can paint my porch. How much will you charge?" The blonde said, "How about 50 dollars?"

The man agreed and told her that the paint and ladders that she might need were in the garage. The man's wife, heard the conversation and said to her husband, "Does she realize that the porch goes all the way around the house?" The man replied, "She should. She was standing on it." A short time later, the blonde came to the door to collect her money.

"You're finished already?" he asked.

"Yes," the blonde answered, "and I had paint left over, so I gave it two coats." Impressed, the man reached in his pocket for the \$50.

"And by the way," the blonde added, "that's not a Porch, it's a Ferrari."

A brunette goes into a doctor's office and says that her body hurts wherever she touches it.

"Impossible," says the doctor. "Show me." She takes her finger, presses on her elbow, and screams in agony. She pushes her knee and screams, pushes her ankle and screams, and so it goes on; everywhere she touches makes her scream with pain.

The doctor says, "You're not really a brunette are you?" She says, "No, I dyed my hair. I'm a natural blonde."

"I thought so," he says. "Your finger is broken."

# LETTERS TO THE EDITOR

Dear Editor,

My wife and I moved to Texas City in November of 2023. We are very new to the area and not sure where to shop for good meat and fresh seafood.

We decided to host a New Year's Eve party and the wife went to HEB to get steaks and shrimp for the small but important New Year's Eve party.

This was the first time that her family and mine will see our new house, so I wanted it perfect. I know I sound like an old woman but I take pride in my cooking.

The HEB steaks were great but the frozen shrimp was horrible, and that is all her drunk sister could talk about. "It seems if you live on the gulf coast you would be able to find a better quality of shrimp" The drunker she got the more I heard about the shrimp.

I picked up your paper at a local feed store and noticed that you deliver all over the place down here on the coast. Can you please recommend a place to buy fresh shrimp.

Thank you,

- Bob in Texas City

Dear Bob,

*If you turn to page 2 in the paper you will see an ad for Hillman's, it doesn't get any fresher than that. The ladies that own and operate the place buy shrimp fresh off the boats. They also usually have the best prices in town.*

Dear Editor,

What happened to global warming? That hard freeze that we had last month was horrible. I thought I was going to have to take me and my cat to a warming center. All we had was a small space heater, finally turned on my oven to stay warm and now I'm dreading the electric bill.

- Stacy in Bacliff

Dear Stacy,

*A lot of us felt your pain. We just aren't used to cold temperatures like that. Last summer we were at 110 degrees a lot of days with the heat index.*

*Before loading up the kitty, make sure that a warming center will allow pets. I noticed that most of them didn't, so a lot of people stayed home with their pets.*

## ROAD RAGE NEVER PAYS

### TEXAS CITY MAN SENTENCED TO 40 YEARS IN PRISON FOR ROAD RAGE SHOOTING DEATH

**GALVESTON** – On Tuesday afternoon, a Galveston County District Court sentenced Messiah James Pickens-McCoy, of Texas City, to 40 years in prison for the road rage shooting death of Gregory Walter Sharretts two years ago.

In the afternoon of January 26, 2022, Gregory Walter Sharretts and Messiah James Pickens-McCoy were each driving south on Highway 3 in Texas City. Sharretts and Pickens-McCoy stopped in the roadway. As they approached the intersection, Sharretts was in the left lane, and proceeded forward. Pickens-McCoy was in the right lane, and began firing several shots toward Sharretts' vehicle, and simultaneously turned west onto 25th Avenue North. One of the bullets hit Sharretts in the back of the head, and Sharretts' vehicle came to a stop. Pickens-McCoy continued to drive down 25th Avenue North. The incident was captured on

video by a camera mounted in a car traveling behind Sharretts and Pickens-McCoy. The video clearly shows a hand holding a handgun extending out the driver's window of Pickens-McCoy's car and several shots being fired.

Nearby Texas City Police Officer M. Macik heard the gunshots and saw a vehicle travelling more than 100 mile per hour on Amburn Road. Officer Macik pursued the vehicle, but the defendant refused to pull over. Ultimately, Officer Macik caught the vehicle when it parked in a nearby apartment complex. Texas City Officers identified Messiah James Pickens-McCoy as the driver and his brother, Noah Pickens-McCoy as a passenger. Officers located a Glock 9mm handgun and empty magazine in the vehicle. They also located a spent shell casing on the vehicle near the windshield wiper blades.

Pickens-McCoy pled guilty on Tuesday, January 23, 2024, and today, was sentenced by Judge Jared Robinson to 40 years in prison. The case was prosecuted by Chief Assistant District Attorney Raneca Henson.

The District Attorney's Office commends the officers of the Texas City Police Department for their excellent work bringing this offender to justice.

Cause Number 22-CR-0266, 405th Judicial District Court, Honorable Jared Robinson, presiding. Mugshots of current inmates are available at: <http://p2c.co.galveston.tx.us/jailinmates.aspx>.

*If you have ever been this angry while driving, The Seabree News would urge you to pull off the road and take a few breaths, get a coke or let The Seabree News buy you cup of coffee at Denny's. What you're feeling will pass and you won't be in jail for 40 years!!*

# San Leon MUD Update

## What is a sewer cleanout?

A sewer cleanout is a PVC pipe and cap, typically 4" in diameter, that intersects with the sewer line that runs from your home to the District's main lines. It provides an access point for plumbers to diagnose and repair backups in the line that connects to the District's main line. It should be kept closed to function properly, as being left open will result in rain water getting into the District's collection system and inundating the wastewater treatment plant with unnecessary flow. If you have any questions about the location of your cleanout or how to replace a damaged cap, just call the office!

# FISHING TIPS

Don is on a first name basis with most of the local fish...

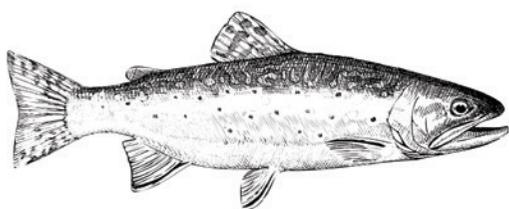

Not much to report on the fishing scene and now we are getting a lot of rain that will make our bay water very fresh, making trout move to deeper water.

- Parks and Wildlife had a meeting in January - The daily bag limit for speckled trout will be cut from five to three and the slot limit will be tightened from 15-25 inches to 15-20.
- Be sure to check your fishing and hunting license to make sure they are up to date.
- As San Leon is a fishing hot spot and a good spot to launch your boat the secret is out.
- If we take care of our environment it will be here for our future fishermen to enjoy.
- Please don't throw your plastic, cans, bottles and discard mono-filament fishing line trash in our bays.

**Don't forget to take a kid fishing!**

# DEAR ROBBIE

## ADVICE FROM A REEL MAN

Dear Robbie,

I am a 35 year old single man. I have been divorced for 6 years and to be honest I was tired of being alone so I decided to join one of those online dating sites.

I am a decent looking guy so I got a lot of attention. I had all these hot women sending me messages! At first I was a little scared to jump back into the dating pool, but I was tired of being alone and just wanted to find a nice lady to share my life with.

The first month I had 5 dates and Robbie, to be honest with you it was very expensive. Dinner and drinks are a minimum of a hundred dollar bill. I will admit I did get lucky 3 out of the five dates, but they were nothing I

would want to pursue. How can I get out cheaper on these dates?

– Going Broke In Texas City

Dear Going Broke,

It is very expensive to wine and dine, I take my wife out and it is a hundred dollar bill if not more. I couldn't imagine spending that on a stranger.

What I would do, is have the chick meet me at The Sunset Lounge about an hour before dark and buy her some of those skinny canned wine drinks, at dusk there will be a very nice romantic sunset. She will think you're a romantic guy and just like that you're in!

## Words of Encouragement

1 Corinthians 13:13 AMP

[13] And now there remain: faith [abiding trust in God and His promises], hope [confident expectation of eternal salvation], love [unselfish love for others growing out of God's love for me], these three [the choicest graces]; but the greatest of these is love.
