Dear Environmental Land Services,

The Christmas with a Deputy Committee would like to take this opportunity to give a heartfelt thank you for your donation of \$[REDACTED]. Your donation helped make it possible to provide these children with a shopping experience they won't forget.

This year, we were able to assist 111 children in our community that otherwise may not have been able to celebrate Christmas with gifts. Fun was had by all who either participated or watched as the children shopped with smiles on their faces, as well as the deputies who were escorting them.

Again, we appreciate your giving to the community and look forward to many more years of support for this wonderful cause.

Respectfully,

A handwritten signature in cursive script that reads "Sandy Jones".
