

Wednesday,

Hi Folks,

Just want to let you know that Mrs. Marge (this is the lady who lives in my house) talked with me yesterday, and she informed me that Michael did a wonderful job taking down the building. The way that she sounded, she was there watching every step of the way.

I can not tell you my appreciation that I have for you guys, you are great! I know a great place that I would recommend you to be over.....(Flagler County Building Enforment).

I will be down during the Thanksgiving holiday, and I will come in and settle up with you.

If you want to, you can send me a involve for the service.

Once again "thank you"!

Pastor Mike
