Thank You

Dear Connie, Nancy and staff,  
Thank you so much for the hospitality you  
showed our TRAIL Program Participants when we  
visited ELS last month. Your tour and presentation  
were so interesting and informative for all  
of us! Learning about our community and  
local businesses is essential for our young  
people and you contributed a valuable piece  
to their education. We appreciate you! The Trail  
Team
