

Bridging the gap

to care for our parks!

Be part of the change

Whether you're experienced or just getting started, there's a place for you at the RMC. Each week, we meet at a different partner site for hands-on projects—cleanups, ecological restoration, trail maintenance, and more.

Make a real impact preserving the green jewels of our community—while meeting like-minded neighbors and having fun.

Sign up to volunteer!

Visit our website to learn about and connect with our park friends groups.
