

Caring for our parks isn't one-and-done —
it's a long-term investment in cleaner, more welcoming
community spaces and healthier ecosystems.
These before-and-after photos show how RMC's
hands-on stewardship is transforming parks across
Roxborough and Manayunk.

Community stewardship and ecological restoration transform both the people involved and the places they care for.

You can be part of that change! — volunteer, become a Park Friend, and make a donation to support RMC's work in Roxborough–Manayunk's public green spaces.
