### Our Client

They are a nationally recognized trial defense law firm known for handling complex, high-stakes matters with a strong focus on healthcare, medical malpractice, and general liability defense. They offer a collegial, team-driven environment where attorneys are trusted with meaningful responsibility while receiving strong mentorship from experienced trial lawyers.

### The Ideal Candidate

We are looking for a licensed Nevada attorney with at least one year of hands-on litigation experience and the ability to manage cases in active litigation. This role is best suited for candidates with practical litigation exposure, as it involves immediate responsibility in ongoing matters.

The ideal candidate holds a Juris Doctor from an accredited law school and is an active member of the Nevada State Bar. Experience in medical malpractice and/or general liability is strongly preferred. In addition, the successful candidate demonstrates a solid working knowledge of state and federal court procedures, along with strong legal research, writing, and advocacy skills.

### The Role

As an **Associate Attorney**, you will:

- Develop, improve, and optimize manufacturing processes in the plant, including extrusion, injection molding, assembly, and packaging
- Represent clients in litigation matters from pre-trial through trial
- Draft pleadings, motions, discovery, and other litigation documents

- Appear in court for hearings, depositions, mediations, and trials
- Conduct legal research and case analysis to support litigation strategy
- Collaborate closely with partners, senior associates, and paralegals
- Participate in case strategy discussions and client communications

## **Summary of Requirements**

### **Education and Experience:**

- Juris Doctor from an accredited law school
- Active Nevada State Bar admission
- 1+ years of litigation experience
- Experience in medical malpractice and or general liability strongly preferred

### **Skills/Abilities:**

- Solid understanding of state and federal court procedures
- Strong legal research, writing, and advocacy skills

## **Additional Information**

- Supportive, team-oriented culture with approachable leadership
- Real mentorship and exposure to substantive case work
- primarily on-site role with flexibility built in due to court appearances, depositions, and case-related travel wherein attorneys have autonomy over their schedules while maintaining a collaborative office presence
- Long-term growth potential within a respected litigation practice
- Competitive compensation and comprehensive benefits (dental insurance, paid time off, retirement plan, vision insurance)
