Las Vegas, NV

Pay Rate: \$18 - \$31 hourly DOE

Date Posted: Monday, February 2, 2026

Apply: Send your resume to Info@goodhirerecruitment.com

Our Client

UFP Packaging – Corrugated Division, Las Vegas, NV is a leading provider of corrugated packaging solutions across North America. Our newest flagship facility features advanced automation and state-of-the-art manufacturing technology designed to deliver exceptional quality, safety, and service.

Ideal Candidate Statement

We are looking for a reliable, detail-oriented worker with a high school diploma or GED and hands-on experience operating machines in a printing or manufacturing environment. The ideal candidate is comfortable using powered industrial equipment and has experience in operating a printing press.

The ideal candidate also follows safety procedures closely and takes pride in producing consistent, high-quality work. This individual also does well in a fast-paced, production-focused setting, can work independently or as part of a team, and shows a strong work ethic and willingness to learn.

Minimum Qualifications

- 1–3 years of experience operating Flexo Folder Gluers or other printing and converting equipment in the corrugated or printing industry (LMC or APSTAR)
- Understanding of manufacturing processes, quality standards, and safety practices
- Familiarity with print registration, die-cutting, and box styles
- Ability to read work orders, safety instructions, and machine manuals
- Dependability, punctuality, and a strong work ethic

- Minimum age: 18
- Ability to lift up to 50 lbs. and work in a manufacturing environment with varying temperatures and noise levels
- Ability to read a tape measure; basic math proficiency

The Role

Machine Operators run our **Rotary Die Cutter** press as part of a high-performance production team. You will:

- Operate machinery safely and efficiently
- Ensure product quality and conformity to specifications
- Verify tooling readiness and perform internal/external make-ready tasks
- Enter production data into the company system accurately
- Conduct setup verification and required quality checks
- Perform and oversee routine preventative maintenance (lubrication, cleaning, adjustments)
- Execute sampling plans according to requirements
- Assist with feeding/off-bearing tasks as needed
- Communicate operational needs, issues, and updates effectively
- Maximize machine utilization by running at optimal capacity and speed
- Train and support the First Helper and other team members
- Cross-train on additional machines and switch duties with the First Helper when necessary
- Complete production, safety, quality, and machine-status reports in a timely manner
- Submit maintenance work orders and help ensure equipment is maintained proactively
- Follow the production schedule and recommend adjustments to improve cost, quality, and service
- Comply with all company safety, quality, and housekeeping standards
- Perform other duties as assigned

Benefit Highlights

- **Comprehensive Health Insurance** to support your well-being (Medical, dental, and vision insurance)
- Health Savings Account with company contribution
- Life and disability insurance

- 401(k) with company match
- Paid vacation and holidays
- Employee stock purchase program
- Tuition reimbursement
- Wellness programs
- Additional supplemental benefits

Additional Information

- **Bonus:** Eligible for discretionary annual bonus based on company and business-unit performance.
- Full-time, onsite role at the Las Vegas flagship facility.
- Shift assignments based on business needs; shift differentials may apply.
