

LAS VEGAS, NV

Registered Nurse (Full-Time RN)

Pay Rate: \$90,000 - \$130,000 annually

Date Posted: Wednesday, January 7, 2026

Deadline: We will continue to receive applications until we fill the position, but **priority** will be given to candidates who submit their application by **Wednesday, January 21, 2026**.

Organization: Confidential (information will be provided once the candidate reaches the final interview)

Our Client

They are a **progressive healthcare facility** operating in a regulated, patient-focused environment. The organization is known for its **supportive culture, collaborative teams, and commitment to continuous improvement**, offering a workplace where professionals are respected and supported in their roles.

The Ideal Candidate

We are looking for a **dedicated and compassionate Registered Nurse (RN)** who thrives in a **progressive, supportive, and patient-centered healthcare environment**. The ideal candidate holds a **current and valid RN license** in the state of practice, with a **Bachelor of Science in Nursing preferred** (Associate Degree acceptable) and brings **at least two years of nursing experience** in a hospital or clinical setting. Strong clinical assessment and critical thinking skills, effective written and verbal communication, and the ability to collaborate within a fast-paced, diverse care team are essential. **BLS and ACLS certifications** are required, along with a commitment to providing high-quality patient care and supporting positive patient and family experiences.

The Role

As a **Registered Nurse**, you will deliver **high-quality, patient-centered care** while supporting patient safety and well-being throughout the care continuum. You will assess patient needs, develop and implement care plans, administer medications, and monitor clinical progress, while collaborating closely with physicians and interdisciplinary care teams to ensure coordinated, effective treatment. This role values clear communication with patients and families, strong clinical judgment, and professionalism in daily practice.

The organization supports **ongoing professional development and continuing education**, offering a stable, supportive environment where nurses can grow, contribute, and make a meaningful impact.

Key Responsibilities:

- Provide direct patient care to individuals across various age groups and health conditions
- Conduct thorough assessments and document patient histories accurately
- Develop and implement individualized care plans based on patient needs and conditions
- Administer medications and treatments as prescribed by physicians
- Monitor and record vital signs, symptoms, and changes in patient conditions
- Collaborate with interdisciplinary teams to ensure comprehensive care and optimal patient outcomes
- Educate patients and families on health management, disease prevention, and treatment options
- Maintain accurate and up-to-date patient records and documentation

Summary of Requirements

- Current, unrestricted Nevada Registered Nurse (RN) license
- Valid Nevada driver's license, active vehicle insurance, and reliable transportation
- Ability to obtain and maintain a Level One Fingerprint Clearance Card through the Nevada Department of Public Safety
- Current CPR certification
- Willingness and ability to travel to and provide care in clients' residences
- Strong clinical skills in patient care delivery
- Accurate, timely documentation in accordance with company policies and state and federal regulations
- Legible written documentation
- Ability to meet agency productivity standards, which may vary by role and employment status
- Ability to meet quality standards for clinical documentation
- Successful completion of the Home Health Nurse Exam and Skills Self-Evaluation with a minimum score of 80%
- Strong verbal and written communication skills
- Ability to perform bedside or point-of-care charting using electronic or written systems
- Ability to work collaboratively and professionally with patients, families, and interdisciplinary team members
- Ability to perform the essential physical functions of the role, with or without reasonable accommodation, including bending, stooping, and lifting up to 50 pounds as needed for patient care

Additional Information

- Relocation/interview expenses benefits (Not applicable)
