As the Market Manager of GMR Marketing's MNL Program in Cleveland, OH. It is with great pleasure to take this opportunity to recommend Mr. Rayshawn Woods for any branch of service. It has been an honor to work beside someone as hard working, punctual, compliant, and honest as he.

Mr. Woods has been a part of the MNL team as of October 2015 through present day. MNL is a program that focuses on speaking to qualified adults in numerous types of atmosphere. Further this program is intended to acquire statistical information of consumers for our client while creating a unique and engaging experience.

He has proven his ability to lead and manage people time and time again. He has assisted in our new staff interviews and hiring process, proving to have a keen eye for well suited candidates. He is always eager to train new staff members to hold the utmost compliance, and create a unique experience for the consumer.
