FAQ'S

What option do I push when scheduling labs, following up on results, or need more information?

- Selecting option #3 will send you directly to the Call Center. Here, our staff can schedule, send messages to your doctor, and provide answers to any questions you may have.

Do I have to be an established patient to have labs completed?

- Yes, you must be an established patient at the San Xavier Health Center to have labs completed, even if ordered by an outside provider.

Do I need an appointment for laboratory services?

- Yes, an appointment is required for laboratory services. Orders must be entered by your provider, or turned in at the designated check-in area if written by an outside provider. For questions or concerns, please feel free to contact us.
