LEADERS OF TOMORROW 2.0

by

JAMES LEOW

THE FRAMEWORK

Leaders of Tomorrow is a 2 days program designed to fine-tune the skills that **leaders** need to succeed in the reality of today's complex business world. This **program** will: Guide you how to lead effectively. Help you increase work productivity. Assist you in achieving sustainable business results.

PART 1: INFLUENCE vs. INSTRUCT

We need the best of both world to make things work. A balance of ability to influence and instruct is needed as a great leader

PART 2: HEART vs. HEAD

Decision making can be challenging for leaders. Whether leading from the heart or head, a great leader weighs every option available before making the right call

PART 3: STRATEGIC vs. TACTICAL

In chess, you see a tactical player shine in a 5min game. But a strategic player will shine in a 15min game. Best players in the world is equipped with both strategic & tactical skills

PART 4: LONG TERM vs. SHORT TERM

Planning is an integral part of a leader's ability to steer organisation to the right direction. Learning this simple technique gives a leader clearer vision while maintaining the ongoing mission

PART 5: BUSINESS vs. WORKER MINDSET

The mind is very powerful. Confidence can change in a heartbeat when the mind is set on the right path. Learning how to see things from a different frame of mind makes a leader complete

PART 6: DEVELOPMENT COACHING

The GROW model is a proven model that leads to a clear end result in four stages. It's a hands-on way of evolving: from reflection to insight into one's reality, to defining a goal & maximising motivation to make a change
