INLINE ORTHODONTICS

NHS AND PRIVATE PRACTICE

- Based in Stevenage, Hertfordshire
- Worldwide experience
- Specialists in lingual orthodontics

Welcome to Inline Orthodontics!

At Inline Orthodontics we specialise in teeth alignment, bite and jaws.

We have a highly specialised team who can offer all types of braces for all ages, including cosmetic and lingual braces.

Using the best treatment options possible, our welcoming, friendly team will work together with you to achieve optimum results.

Our practice is strictly orthodontic only, should you need a general dentist please contact the NHS area team who will guide you further. We advise you see your dentist regularly to maintain good oral health

NHS patients

We are contracted by the NHS to provide treatment to those under 18 who qualify under the index of treatment need (IOTN). To be assessed as an NHS patient please visit your dentist and ask to be referred.

If you do qualify under the NHS unfortunately you do not have a choice in which brace you will receive however you are able to pay for private options should you wish to have something more discreet. If you do not qualify under the NHS we do offer private packages for under 18's at a reduced price.

Private patients

If you would like to be seen on a private basis, you can ask your dentist to refer you or you can contact us independently. For our pricelist please see following link <https://inlineorthodontics.co.uk/prices>

Appointments

We will need to see you every 6-8 weeks to monitor your progress and adjust your braces. Some appointments may be necessary during school hours, please remember that most of our patients are students and prefer after school appointments.

Please inform us 24 hours before your appointment if you are unable to make it.

Missed appointments represent a loss of valuable time and resources which are needed for other patients. Our practice policy states that if a patient cancels within 24 hours or fails to attend then we will stop NHS treatment. We will of course take into consideration special circumstances

Emergencies

In the event of an emergency please call the surgery, we book emergency as and where there is space in the diary. There is no priority over other appointments. Should you have a dental emergency outside of the practice opening hours, please call 111 who will be able to assist you. This is a service provided by NHS England which is responsible for commissioning dental services in this area.
