Think About Your Strengths, Skills & Goals

One strength I already have that could help me in this career is:

One skill I would need to learn or practice is:

One question I would like to ask someone who has this career is:

WORKERBEEZ CHALLENGE

"With hard work and dedication, we can ALL soar oh so high!"

What do hard work and dedication mean to you?

How could you show hard work and dedication while working toward something you want to accomplish?
