

## **Stone Technologies Corporation Mobile Number SMS Message Registration Form**

This form authorizes the company (Stone Technologies Corporation and their subcontractor Software Steve LLC) to register a customer's mobile number with ClickSend, a commercial SMS messaging software application. In compliance with the Telephone Consumer Protection Act (TCPA), customers must authorize the company to send SMS alert text messages to their mobile number from the Stone Technology RMS (Remote Monitoring System) Email Relay software.

This form is also used to stop SMS messages, opt out, unregister or remove a customer's mobile number from the company's software applications.

By signing up to receive SMS messages from Stone Technologies Corporation and Software Steve LLC, you consent to receive automated text messages from toll free numbers including alerts, alarms and system updates. Message frequency may vary. Standard message and data rates may apply based on your mobile carrier's plan. For help, contact Stone Technologies at [techsupport@towermon.com](mailto:techsupport@towermon.com) or Software Steve LLC at [support@softwaresteve.net](mailto:support@softwaresteve.net).
