

WARWICK RD MEDICAL

BILLING POLICY

Skin Checks and Skin Procedures:

Skin Checks will be privately billed in line with the current schedule of fees.

If your skin check identifies a need for intervention, you will be asked to schedule a follow-up appointment. In most cases the intervention is supported by a Medicare Rebate and your appointment will be bulk billed*

New Patients:

All new patient appointments are privately billed, regardless of age and concession card eligibility.

Bulk Billing following your new patient consultation is available to:

Children 15 years and under

DVA Gold Card holders - some conditions apply

Following the introduction of MyMedicare, patients who are 65yrs and over and who are registered with the practice via MyMedicare are eligible for bulk billing

Residential Aged Care Facility:

Dr Walker's residents residing at a Residential Aged Care Facilities will be bulk billed.

Please ensure that the relevant paperwork has been completed and made available to the practice staff prior to arrival at the facility.

The doctors are unable to admit residents or manage their care without the appropriate documentation.

If you are being Bulk Billed for your visit with the doctor, please ensure you have checked out and consented to assigning the Medicare payment to the treating doctor; failure to do so means you will be privately billed.

**Please consider the implications of private fees if you request additional services*
