

Mrs. Riddhi Gandhi

Chief Financial Officer (CFO) – MRise Group

Strengthening financial governance and enabling sustainable growth across enterprises

Mrs. Riddhi Gandhi is the Chief Financial Officer (CFO) of MRise Group, and a senior global finance leader recognized for building robust financial frameworks, strengthening governance, and enabling sustainable, compliant growth across diversified business environments. Her leadership is grounded in deep, hands-on financial expertise developed through progressive roles across professional practice, manufacturing, textiles, financial services, and enterprise leadership.

Professional Journey & Financial Leadership Evolution

Mrs. Gandhi began her career with articleship under a Chartered Accountant, where she established a strong foundation in accounting principles, statutory compliance, audits, and financial reporting. She subsequently worked as a Junior Accountant, gaining practical exposure to day-to-day accounting operations, before advancing to Senior Accountant roles within the manufacturing sector, managing complex accounting functions, cost structures, and regulatory compliance.

She later served as Senior Assistant to a Chartered Accountant in the textile industry, contributing to audits, taxation, and industry-specific financial structuring. Her career progression then extended into the financial services sector, where she joined a Non-Banking Financial Company (NBFC) as a Senior Officer and was promoted to Product Owner. In this role, she played a pivotal part in product strategy, financial modeling, risk assessment, and process optimization within a highly regulated environment.

This diverse professional journey spanning professional practice, manufacturing, textiles, and financial services has shaped Mrs. Gandhi into a CFO with strong operational depth and a strategic financial vision.

Current Role – Chief Financial Officer, MRise Group

As Global CFO of MRise Group, Mrs. Riddhi Gandhi oversees the Group's overall financial strategy, governance framework, and fiscal performance across a portfolio of businesses spanning manufacturing, technology, logistics, and allied sectors.

Her key responsibilities include:

- Group-level financial strategy and planning
- Budgeting, forecasting, and performance monitoring
- Capital allocation and investment evaluation
- Financial governance and regulatory compliance
- Risk management and internal control frameworks
- Treasury management and cash-flow optimization
- Financial leadership for strategic expansion and growth initiatives

She works closely with the CEO, senior leadership teams, auditors, and financial institutions to ensure that growth initiatives are financially sound, transparent, and sustainable.

Role in Supporting Enterprises & Investors

In addition to managing Group finances, Mrs. Gandhi actively supports enterprises and investors seeking to establish or scale operations in Gujarat. She provides strategic guidance on financial readiness, governance structuring, and compliance frameworks—key enablers for long-term investment success and operational stability.

Vision as Global CFO

Mrs. Riddhi Gandhi envisions building financially resilient organizations where disciplined governance, ethical financial practices, and growth ambition are seamlessly aligned. Her focus is on enabling sustainable value creation through transparency, risk-aware decision-making, and strong financial leadership.
