

SURGERY SCHEDULING

@DALLASFACEDOC

1

CONSULTATION

During your in-person or virtual consultation with Dr. Saman, you will discuss your aesthetic and/or reconstructive goals in detail. After your facial analysis, a bespoke treatment plan will be devised to best suit your goals.

2

DEPOSIT AND SCHEDULING

Once you are ready to move forward with your procedure, you would need to pay your scheduling deposit in order to start the scheduling phase. **(See Back of Card)**

3

PREOPERATIVE REQUIREMENTS

Depending on your medical history and desired procedures, some preoperative paperwork and testing will be required. COVID-19 testing is now mandatory for scheduling all procedures.

4

MATTERS OF PAYMENT

There are usually 4 different types of payments that are required for most surgeries: 1) Surgical fee is the fee for the performance of the procedure, 2) OR fee is the fee payable to the surgery center for the operating room, supplies and nursing care, 3) anesthesia fee is payable directly to the anesthesia provider, 4) other: medications and garments or other necessary supplies.

5

THE BIG DAY

On your surgery day please arrive at least 90 minutes prior to scheduled surgery time. Surgery times are approximate as we cannot predict exact time of completion of prior surgery. Make sure you have a responsible adult to take you home after the procedure and care for you. *This is a requirement by all surgery centers.*

Please Read Carefully

- All surgical and nonsurgical treatments have specific risks associated with them. These risks will be reviewed with you during your consultation. Please ensure you have well understood and accept the possibility of these risks prior to moving forward with surgery.
- Surgery fee is the fee you pay for the performance of one or more procedures. It not a fee for realization of an outcome. As with all aesthetic and reconstructive procedure, no specific outcome can be guaranteed or warrantied. Although our goal is to achieve the most optimal results for our patients, If revision is necessary, additional fees may be applied.
- Although we provide you with approximate expected fees for anesthesia and operating room, the exact fees will be calculated by those entities and are generally payable separately to the surgery center and anesthesia providers.
- Deposit is required prior to placement on surgical schedule.
- Surgery may be cancelled without penalty up to 14 calendar days prior to scheduled date of surgery.
- Deposit becomes non-refundable within 14 calendar days from scheduled date of surgery. Deposit will not be returned if patient decides to cancel within 14 days from scheduled date of surgery.
- Full surgical fee must be paid at least 7 calendar days prior to scheduled surgery in order to remain on surgical schedule. Otherwise patient is subject to cancellation or rescheduling.
- Strict adherence to postoperative instructions is crucial for best outcomes.

Please review our Office Policies and Informed Consent Forms thoroughly and carefully. We are here to answer all your questions prior to your date of surgery to ensure a safe and smooth experience.
