PIKEROOFTOPTENT

PN: 20010

Sometimes you just need to get out there. To a place where the buses don't run, past where the pavement ends, beyond the reach of the last cell tower. Out where the spaces are wide open, the skies are endless, the air is clean. You want to feel the freedom. Breathe it. And if you'd rather live it than rough it when you get there, the Sky Ridge series of outdoor adventure products will be there for you. Because they mount to your adventure vehicle, they become a part of it, ready at a moment's notice to hit the trail. From roof-top tents and annex rooms to vehicle-mounted awnings and accessories, the Sky Ridge series are back-country living solutions engineered to go wherever you go.
