Amazing! They went above and beyond for my husband's surprise birthday party. Lydia was amazing to work with and went out of her way to make sure the event was extra special for my husband and our guests. Probably the best customer service of any restaurant I've been to. The food was unbelievable and people were talking about it days later. Also, the wine stations are so fun and let everyone try a variety of wines. Would highly recommend and would definitely have another event there!

This is the best venue for a private event like my niece's bridal shower! The staff is superb, the food is fresh, great table appeal and the Reserve Room lends itself to a step up from Aunt Tilly's living room and food from Costco. Quite a few steps. My guests were impressed, enjoyed the good wines and food ~ even the shower games were a hit! Who knew?! I recommend this venue for a corporate meeting with lunch, a party of any celebration because the staff cares that you are happy with the results. People are still talking about it and my reputation is still secure! Thank you, 64 Wine Bar - Reserve Room, Lydia & staff! Awesome! Would love a 64 Wine Bar in Denver!

We hosted a client appreciation event at SixtyFour-Reserve Room. Lydia was easy to work with and made great suggestions. The space was set up perfectly and the wine choices and food were excellent. The staff was on task and quick to answer questions and keep the food and the wine stations replenished which allowed us to focus on our clients. Thank You!
