# What We Do

## Social Opportunities

We host family activities  
across Southwestern  
Pennsylvania that create  
space for connection and  
shared experiences.  
Events are open to all  
ages and are often free.

## Advocacy

We provide personalized  
advocacy to help families  
navigate school systems.  
From IEP meetings to  
understanding your child's  
rights, we work alongside  
school teams to support  
better outcomes every step  
of the way.

## Training

We partner with businesses,  
schools, and community groups  
to deliver customized autism  
awareness training.
