

About Us

The Central Montana Reined Cow Horse Association (CMRCHA) was formed in 2013 by a group of horse enthusiasts dedicated to advancing the reined cow horse in Montana. We are an affiliate of the National Reined Cow Horse Association. It is a fast growing organization upholding traditional vaquero horsemanship and promoting the sport of riding and showing exceptionally trained reined cow horses. Any age, any level of riding skill and any breed of horse is welcome to compete. We currently put on 4 shows per year across the state, attracting competitors from all over Montana and many neighboring states.

SPONSORSHIP OPPORTUNITIES

As with any non-profit association, the CRMCHA cannot continue to succeed and grow without the assistance of sponsors. Your sponsorships are used to help cover show expenses, and purchase awards.

CMRCHA is totally run by volunteer labor—there are no paid employees!
