

1 well, I'll ask you first -- we'll start with
2 blasting. Where was the area of blasting?

3 A. That was roughly four to five feet from the Old Town
4 Road on Lot 29, which, by the way, is grossly,
5 grossly mislabeled. That lot doesn't look anything
6 like that. So, I mean, I can't even -- they do have
7 a newer map that is updated, which I would suggest
8 that you obtain somewhere, that shows the actual --
9 that lot.

10 Q. All right. So as we -- but understanding what
11 you've said about the size on this map not being
12 accurate, Lot 29 located at the intersection of Old
13 Town Road and Merry Island Road is the Whitman
14 property, right?

15 A. That's correct.

16 Q. All right. The next thing I'm -- I'd like to know
17 is where on this map, approximately, the legacy oak
18 tree and the turnaround would be located. It's my
19 understanding that's --

20 A. There is no -- no, no.

21 MR. BOPP: Yeah. Object. Hold on a second.

22 THE WITNESS: I object.

23 MR. BOPP: Tim?

24 THE WITNESS: There is no. That's leading.

25 MR. BOPP: Tim?

1 THE WITNESS: That's leading.

2 MR. BOPP: Tim, hold on.

3 THE WITNESS: There is --

4 MR. BOPP: Tim?

5 THE WITNESS: -- no turnaround. That's a
6 leading question --

7 MR. BOPP: Tim?

8 THE WITNESS: -- Jonathan Liberman. I
9 object.

10 MR. BOPP: Tim, Tim --

11 THE WITNESS: All right.

12 MR. BOPP: -- hold on a second. Objection to
13 form.

14 BY MR. LIBERMAN:

15 Q. Okay. So, Mr. Harrington, can you show me or
16 describe for me where on this map the legacy oak
17 tree is located?

18 A. Jonathan, that is impossible. On this map to locate
19 that based on that -- this is not accurate. It's
20 not anywhere that I can see. There's no defining
21 any other marks on the map. Your question cannot be
22 answered.

23 Q. Is the legacy oak tree located at the end of Merry
24 Island Road?

25 A. Which end are you referring to? There are two ends
