## *Logo Contest!*

### Ownership and copyright:

- Upon entry and submission, all artwork submitted for this contest will be the property of the Forest City Borough and will not be returned to the artist.
- The artist retains all copyrights in and to their original artwork submitted to the borough.
- By submitting an entry, the artist grants the borough a non-inclusive license to use, reproduce, publish, display, distribute, and archive images of the submitted artwork for governmental purposes, including contest administration, public exhibition, public communications, educational use, and historical documentation in any media now known or developed.
- The artist represents and warrants that the submission is the artist's original work, does not infringe any third-party rights and the artist has obtained any necessary releases/permissions for any identifiable persons, copyright material, or trademark elements included in the artwork.
- The submitted artwork may be signed by the original artist. The borough will credit the artist when reasonably practicable.

### Use of artificial intelligence (AI):

While the use of artificial intelligence tools can be helpful and innovative, submissions for the logo contest must be original works created by a human and may not include generative AI content. This includes any tool or feature that generates new visual elements (including text to image, image to image, generative fill/expand, style transfer and automated "create an image/design" functions). Artist may still use standard digital design software for non-generative functions such as formatting, cropping, resizing, colour correction, layering, vector drawing, and typography. The Borough may request drafts or working files to confirm compliance. Entries may be disqualified if found to include generative AI content.
