

Dear Farmers' Market/Bazaar Prospective Vendor:

The Forest City Parks & Recreation Committee would like to invite you to be a vendor at our first Farmers' Market this season. The Farmers' Market mission is to improve the health of our residents while providing a venue where local farmers, producers, crafters and artisans can come together to provide a variety of fresh produce and related products directly to our residents and visitors. We have a committee working hard to bring this initiative to our community and we are hoping you could be a part of this inaugural season.

**The Farmers' Market Bazaar will be held every 3<sup>rd</sup> Sunday from 10am-4pm beginning July through October. The market will be located at Kennedy Park, Forest City, PA**

There is no required vendor fee, but donations to Parks and Recreation are always welcome and accepted. Vendors that will be sampling products at the market, selling potentially hazardous foods that require refrigeration such as cheese, dairy, fish, meats, eggs and/or packaging breads and/or baked goods on-site must let the committee know as electricity is limited.

All products sold by a specific vendor must be grown/crafted by that vendor. Retail vendors, ie Papparazzi, bows, lularoe, etc, are permitted.... One, (maybe 2,) vendor from each company per market, based on first come first serve.

Attached is the Forest City Parks & Recreation Farmers Market Application. Please complete and send to: Forest City Parks and Recreation 535 Main St, Forest City, PA 18421
