March 23, 2020

WHEREAS, a novel coronavirus (now known as "COVID-19") emerged in Wuhan, China, began infecting humans in December 2019, and has since spread to 89 countries, including the United States; and

WHEREAS, the World Health Organization and the Centers for Disease Control and Prevention ("CDC") have declared COVID-19 a "public health emergency of international concern," and the U.S. Department of Health and Human Services ("HHS") Secretary has declared that COVID-19 creates a public health emergency; and

WHEREAS, the Commonwealth of Pennsylvania ("Commonwealth") has been working in collaboration with the CDC, HHS, and local health agencies since December 2019 to monitor and plan for the containment and subsequent mitigation of COVID-19; and

WHEREAS, on February 1, 2020, the Commonwealth's Department of Health activated its Department Operations Center at the Pennsylvania Emergency Management Agency's headquarters to conduct public health and medical coordination for COVID-19 throughout the Commonwealth; and

WHEREAS, on March 4, 2020, the Director of the Pennsylvania Emergency Management Agency ordered the activation of its Commonwealth Response Coordination Center in support of the Department of Health's Department Operations Center, to maintain situational awareness and coordinate the response to any potential COVID-19 impacts across the Commonwealth; and

WHEREAS, as of March 6, 2020, there are 233 confirmed and/or presumed positive cases of COVID-19 in the United States, including 2 presumed positive cases in the Commonwealth; and

WHEREAS, while it is anticipated that a high percentage of those affected by COVID19 will experience mild influenza-like symptoms, COVID-19 is a disease capable of causing severe symptoms or loss of life, particularly to older populations and those individuals with preexisting conditions; and

WHEREAS, it is critical to prepare for and respond to suspected or confirmed cases in the Commonwealth and to implement measures to mitigate the spread of COVID-19; and

WHEREAS, with 2 presumed positive cases in the Commonwealth as of March 6, 2020, the possible increased threat from COVID-19 constitutes a threat of imminent disaster to the health of the citizens of the Commonwealth; and

WHEREAS, this threat of imminent disaster and emergency has the potential to cause significant adverse impacts upon the population throughout the Commonwealth; and

WHEREAS, this threat of imminent disaster and emergency has already caused schools to close, and will likely prompt additional local measures, including affected county and municipal governments to declare local disaster emergencies because of COVID-19; and

WHEREAS, this threat of imminent disaster and emergency situation throughout the Commonwealth is of such magnitude and severity as to render essential the Commonwealth's supplementation of emergency resources and mutual aid to the county and municipal governments of this Commonwealth and to require the activation of all applicable state, county, and municipal emergency response plans.

NOW THEREFORE, pursuant to the provisions of Subsection 7301(c) of the Emergency Management Services Code, 35 Pa. C.S. § 7101, et seq., I do hereby proclaim the existence of a disaster emergency throughout the Borough of Forest City, Susquehanna County, Commonwealth of Pennsylvania.
