---

On behalf of Forest City Borough, I am asking you to consider covering the cost of a Victorian Skyline display like the one pictured above. It is through the generosity of local business owners, organizations and individuals like yourself that will help to ensure the revitalization of Forest City Borough. Together we can continue to nourish the spirit that is a huge part of Forest City's past and the key to a successful future.

The cost for this display after a 25% discount is \$1,792 plus shipping (yet to be determined). I cannot ever thank you enough for agreeing to sponsor this purchase. My hope is to eventually purchase more of these displays. Donations are coming in from individuals, civic groups and other businesses in the community. Please help us to achieve our goal.

I look forward to working with you on future projects. Everyone working together will ensure our economic prosperity, foster community and help to promote the Borough's future.

Yours Sincerely,

Christopher Glinton  
Forest City Borough Mayor
