### WORK EXPERIENCE

#### **Design 2 Build**

Urbandale, IA

Intern | May 2024-Current

- Collaborated with senior designers to select furniture, materials, space planning, color schemes, and finishes for client projects.
- Prepared and presented mood boards, sketches, detail drawing and digital renderings for client and contractor meetings; using mostly Revit and Auto-CAD.
- Conducted site visits and inspections to ensure design implementation met quality and safety standards.
- Communicated directly with clients to understand their design preferences, budget, and requirements.

#### **Barefoot Campus Outfitter**

Ames, IA

Retail Associate | October 2022 - Current

- Communicated with customers on questions about the store or products and assisted in finding what suits them, both face-to-face and on the phone.
- Learned and Operated POS system for customer transactions.
- Maintained presentable and welcoming environment by restocking product and making new visual marketing displays.
- Further marketed the store through creating social media posts and designing a new chalkboard display every month.

#### **CEimpact**

Des Moines, IA

Intern | December 2022 - April 2023

- Examined course evaluations and determined important data from evaluations.
- Generate course evaluations and organize the data in a presentable manner for faculty using Excel.
