

ROPE

CARE
SIZE
TYPE

ROPE CARE Wash in cold water by hand or on gentle cycle in a pillow case or lingerie bag. Drip dry under tension to remove kinks & stretchiness.

ROPE SIZES

Recommended diameter: 1/5" to 1/4" About the size of a No.2 pencil

Western Standard 1/4" or 6.35 millimeters (mm)

Eastern Standard 5mm to 6mm - 5mm is 1/5"

Recommended lengths:

Western Standard 30' or 9.14 meters (m) per average size hank or bundle

Eastern Standard 7m to 8m [7m = 22' 11 5/8"] & [8m = 26' 3"]

Additional optional lengths: 50' bundle and smaller 10-20' pieces for cuffs

TYPES OF ROPE

Natural: Hemp, Jute or Cotton Twisted Rope

Synthetic: MFP (Multi-filament Polypropylene) Derby or Utility Solid Braid

Cotton/Poly Solid Braid Rope often used for clothesline

Avoid ropes with a core and an outer casing such as Climbing Rope, Camping Rope, Boating Rope and anything from the 99cent store.
