1. BYLAWS COMMITTEE

A. Purpose and Duties (from GHRP Bylaws Article XII):

The Bylaws Committee shall consider new Bylaws, amendments and policy to these Bylaws and Policy as provided for in GHRP Bylaws Article XII.

These new Bylaws or Amendments may be approved by an affirmative vote of two-thirds of the members present at any regular or called meeting of the GHRP Central Committee. Copies of the proposed bylaws, amendments and policy shall be mailed or e-mailed by the Bylaws Committee to all members of the GHRP Executive Board for review and recommendation, and then to the Members of the Central Committee for approval, not later than ten days before their meetings at which the Executive Board and Central Committee are to review, recommend or approve.

The duties of the Bylaws Committee are to:

1. Review the current bylaws and propose amendments and related policies which will address identified concerns or possible improvements to the bylaws.
2. Review all proposed bylaws or amendments.
3. Write an explanation of the reasoning and impact of proposed bylaws, amendments, or policies and make a recommendation of Pass or Do Not Pass.
4. Submit a copy of all proposed bylaws amendments and policy first to the Executive Board for review and recommendation and then to the Central Committee for approval, along with the committee's explanation and recommendation no later than ten (10) days before any Executive Board and Central Committee Meetings. This allows both 10 days for both Executive Board review and recommendation and Central Committee approval.
5. Move the adoption of the proposed bylaws amendments and policy at the Executive Board and Central Committee meetings and answer questions about them.
