

Nature's Mectin

This is the herbal version of Ivermectin. These herbs synergistically make for a very unique combination that work together in a short amount of time to aid the body in healing from the onslaught of viruses and variants and helps as a preventative when taken daily.

**Wormwood – Cloves - Black Walnut Husk – Chaparral - Burdock – Mullien –
Tumeric - Cayenne - Lobelia – Barberry -**

*Pricing: \$30.95 for ¼ of a pound and \$7.25 for shipping and an additional \$1.00 for every fourth of a pound after that. To order call or text (402)200-9685
