

# BUILDING YOUR RAILINGS

## 1. Choose a Material

Send us a message through our website, email or call us for an estimate.

Use this as a guide of what kind style and design you want for your project. Our experts are here to help, so tell us more about your project, and we will connect you with the services to fit your needs.

## 2. Choose a Design

Visit

[www.capitalironco.com](http://www.capitalironco.com)

Click on our Gallery tab  
&

Browse through our collection of railings

Select one

or

various elements that our  
design team  
can curate into a railing for you.

## 3. Choose a Paint Finish

Standard Paint

STEP ONE:

COLOR

STEP TWO:

LEVEL OF GLOSS/MATTE

Powder Coat

Visit

[www.prismaticpowders.com](http://www.prismaticpowders.com)

STEP ONE:

COLOR

STEP TWO:

LEVEL OF GLOSS/MATTE

We recommend our clients to order a free sample from Prismatic Powders of the colors they are interested in before deciding on one.

# Railing Codes

When estimating & measuring your railings, these are the standards we must follow.
