

Butterfly Counting Jar

Place a number tile in the box
below. Then, add that number
of butterflies to the jar.

Butterfly Counting Jar Pieces

Cut out the butterflies and place them in the jar as you count.

Butterfly Counting Jar Number Tiles

Cut out the number tiles. Place them in the box on the counting mat and add that number of butterflies to the jar. *To count from 11-20 you'll need to print out two butterfly jar pages.
