

## Planning Board Meeting

March 25, 2024

7:00 PM

8:15 PM

Board members Keisha Garnett, John Bonanno, Carol Goode, Dustin Bachelder, and Paul Henninger were present. Jim Madgey was present in the audience as well.

**At the first meeting in March, a new Chair and Vice Chair need to be elected. Motion made to elect Keisha as Chair and John as Vice Chair. Motion passed unanimously.**

Minutes from February 19<sup>th</sup> meeting approved with some minor grammatical corrections.

Board members agreed to table the Marijuana Ordinance until the next meeting so that new members could do some research on it before we go headfirst.

Emma explained that there was an overwhelming amount of support at the Annual Town Meeting to have selectboard and Planning Board meetings recorded. The municipal officers agreed to record meetings and post them on YouTube. Equipment was ordered this week and still needs to be tested out so we will probably not start recording until May. Emma will notify the board before that meeting to make them aware that they will now be recorded.

Board members welcomed Jim Madgey to the meeting. He is interested in one of the alternate positions on the Planning Board. He lives on the North end of town and moved here in 2016. He's run many businesses throughout his life, all over the country. He still has businesses now but no longer runs them. He is retired and felt that he didn't have much to do during the day, so he felt that becoming more involved in the town happenings would keep him busy.

The board reviewed the Planning Board By-Laws that have not been updated since 2010. The board approved the By-Laws with the appropriate changes made.

The next meeting will be on April 15<sup>th</sup> at 7:00 PM. The board also mentioned that they would like to add the Pledge of Allegiance to the beginning of the meetings.

Meeting adjourned at 8:15 PM.

Respectfully Submitted,

*Emma Quелlette*
