Other Permits Required

1. Driveway Permit required from Maine D.O.T. (if driveway enters onto a State or State Aid Highway) or CEO/Road Commissioner for Town Roads.
2. Plumbing Permits: Exterior SSWD - 3 copies of (Form HHE-200) from Maine Soil Engineer
Interior Plumbing Permit - (Form HHE-211) from Local Plumbing Inspector
3. Saco River Corridor Commission Permit (if within 500 feet of Saco or Ossipee River) from SRCC.
4. Occupancy Permit: No dwelling shall be occupied until a Certificate of Occupancy has been issued by the CEO.
5. Electrical Permit: Hiram does not issue permits or inspect installations; contact CEO if you need further information.

Notes and Certification:

- A copy of the recorded deed must be submitted with this application for a new structure being built on an unimproved lot.
- Inspections are required for the following construction work:
 1. Footings and foundations (prior to pouring concrete)
 2. Drainage/Radon piping, foundation coating (prior to backfilling)
 3. Framing (prior to covering structural members)
 4. Rough plumbing and pressure test of vent, drain, and supply lines as per Plumbing Code prior to covering structural members.
 5. Subsurface Waste Disposal Systems require inspection in accordance with State of Maine Subsurface Wastewater Disposal Rules (bottom of bed and prior to covering).
 6. Final inspection prior to occupancy.
- To the greatest extent possible, please schedule inspections with the CEO at least 24 hours ahead of time.
- This permit shall expire if construction is not started within one year and not completed within 2 years of permit issue date.
