Custom Software & Web Development

TERMS & CONDITIONS

Service Group Includes: Website Development, Mobile Apps, UX/UI Design, Custom Tools

Last Updated: January 5, 2025

1. Project Timeline

<u>Websites</u>: Deliverable within 2 weeks unless stated otherwise on personalized service agreements (for custom quotes).

<u>Mobile Apps/UX/UI Design/Custom tools</u>: Milestones will be defined at project kickoff. Delays caused by missing client input or third-party integrations will shift deadlines.

2. Ownership & IP

Upon full payment, ownership of all source code and design assets transfers to the client. Trust-OS may retain a license for portfolio use.

3. Warranty Period

Bug fixes are covered for a [30-day] warranty period after final delivery. Additional support may require a maintenance contract.

4. Hosting & Maintenance

Unless included in the package, the client is responsible for ongoing hosting, updates, and plugin licenses.
