

# Digital Marketing Services

## TERMS & CONDITIONS

**Service Group Includes:** Service Group Includes: Social Media Management, Video Content, SEO, Ad Campaigns

**Last Updated:** January 5, 2025

### 1. Scope of Work

Trust-OS will deliver digital marketing services tailored to the client's selected package. Customizations may require additional fees and timelines.

### 2. Client Responsibilities

The client agrees to provide timely access to social media accounts, brand assets, and necessary approvals for campaign execution.

### 3. Revisions & Edits

Revisions are limited to [agreed upon in your proposal / allocated number in your selected package] rounds per deliverable. Additional revisions may incur added charges.

### 4. Content Rights

All final content created under this agreement becomes the client's property once full payment is received. Trust-OS retains the right to display work in portfolios.

### 5. Campaign Performance

While Trust-OS follows best practices, no guarantees are made regarding engagement or conversion outcomes due to external platform factors.
