Property Specific Requirements:

Applicant(s) must be 62 years of age or older. No assisted property is allowed to collect an application or credit check fee.

Citizenship Criteria:

HUD requires management to verify citizenship regardless of age. For U.S. citizens, a signed declaration of citizenship and a copy of a birth certificate are required for all household members. For non-citizens 62 years of age or older, a signed declaration of eligible non-citizen status and proof of age. For noncitizens underage of 62 claiming eligible status, a signed declaration of eligible immigration status; a signed consent form; and one of the Department of Homeland Security documents, Form I-551 Alien Registration Receipt Card, or other acceptable DHS documents (as per the HUD Handbook 4350.3). Non-citizens will be verified with the U.S. Department of Immigration as required by the HUD guidelines. Assistance is based on citizenship and if household members are not U.S. Citizens; they will not receive 100% of the assistance allowance. Pro-rated assistance is available for families composed of citizens and non-citizens.

Limited English Proficiency (LEP):

United States citizenship does not determine whether a person has limited English proficiency (LEP). It is possible for a person who is a United States citizen to have limited English proficiency. It is also possible for a person who is not a United States citizen to be fluent in the English language. Title VI of the Civil Rights Act of 1964 is interpreted to apply to citizens, documented non-citizens, and undocumented non-citizens. Title VI LEP obligations apply to every individual who meets the program requirements, regardless of the individual's citizenship status.

Any individual who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English may have limited English proficiency and may be eligible to receive language assistance in any way needed to assist in applying for any apartment. The ways we can assist are:

- (1) Identify the language needed used by the applicant by using the "I Speak" card to determine the language interpretation needed to be able to provide interpretation services or written documents in the language needed.
- (2) Interpretation services can be provided by applicant bringing a family member (18 years of age or older) or friend to interpret or a staff member if familiar with the language needed or management contacting an interpretation service to be able to assist the applicant in applying for an apartment.
- (3) Written interpretation of documents in languages other than English will be provided by management through an interpretation services or HUD documents from HUD.gov website.

Social Security Numbers:

Under the HUD regulations, all applicants currently or applying to the waiting list must disclose or provide documentation to verify social security numbers for all non-exempt household members as part of the application process in order to receive assistance and cannot be admitted until the Social Security Number (SSN) and verifying document is provided except those who do not contend eligible immigration status and tenants age 62 or older as of

January 31, 2010 and provide verification of the complete and accurate SSN assigned to them. (. Applicant has 90 days from the date they are offered a unit to disclose and/or provide documentation to verify all non-exempt household member's members Social Security Numbers (SSN). A vacant unit will not be held during this 90-day period and the next eligible applicant on the waiting list will be offered the next available unit. When the applicant has disclosed and provided documentation of SSN's for each household member, if the applicant has been determined to be eligible based on the Resident Selection criteria, then they will be offered another unit based on vacancies and their date/time position on the waiting list.

An applicant family may become a program participant, even if the family lacks the documentation necessary to verify the Social Security number (SSN) of family member under the age of 6 years old. An extension of an additional 90-day period must be granted if it is determined that, in management's discretion, the applicant's failure to comply was due to circumstances that could not be reasonably foreseen and were outside the control of the applicant. If the applicant family does not produce the required documentation within the authorized time period, management must impose appropriate penalties, in accordance with 24 CFR 5.218. Penalties for failing to disclose and verify Social Security Numbers are (a) denial of assistance (b) denial of eligibility (c) termination of assistance or tenancy.

An applicant may retain their position on the waiting list during this time and after 90 days if the SSN has not been disclosed and verified, the applicant should be determined ineligible and removed from the waiting list.

In addition, HUD provides the owner/agent with information about an applicant's current status as a HUD housing assistance recipient. The owner/agent will use the Enterprise Income Verification System to determine if the applicant or any member of the applicant household is currently receiving HUD assistance. Management will run an Existing Tenant Search Report on all applicants. Nothing prohibits a HUD housing recipient from applying to this property.

However, the applicant must move out of the current property and/or forfeit any voucher before HUD assistance on this property will begin. Special consideration applies to minor children where both parents share 50% custody.

Management will be available by appointment to assist you if you need help in filling out the application. they move to the top of the waiting list. The contact letter will state that the applicant has (14) days from the date of the letter to contact management if they are still interested. If there is no response, or the letter is returned undeliverable, management will have no alternative, but to remove the name from the waiting list. It shall be the responsibility of the applicant to contact management if they have a change of address.

An applicant can ask to be placed at the bottom of the waiting list, but three rejections of apartments while on the waiting list will result in removal from the waiting list. There will be no deviation from the waiting list.

If the waiting list is more than one year, the waiting list will be closed in keeping with HUD guidelines. If the waiting list falls below one year than the list will be re-opened. Central Christian Church Apartments will publish publicly the opening of the waiting list in the Lexington Herald Leader.

Central Christian Church Apartments must make at least 40% of the Section 8 units that become available in each year of the property's fiscal year available for leasing to applicants whose income does not exceed 30% of the area median income ("extremely low income") at the time of admission.

Management will select the first available extremely low-income applicant on the waiting list for the available unit and then will select the next eligible applicant currently at the top of the waiting list (regardless of income limit) for the next available unit. In accordance with HUD regulations, as subsequent units become available, the tenant selection continues to alternate between the next extremely low-income applicant and eligible applicant at the top of the waiting list until the 40% extremely low-income target is reached.

24 CFR 5.603, 903.7 and 960.102 state that in areas where the median incomes are so low that a family with a full-time worker may have income that exceeds 30 percent of the area median income, even though the family's income is below the federal poverty level, such a family will not be skipped over on the waiting list as a result of the ELI admission targeting requirements set by HUD. Protections Provided Under the Violence Against Women Act (VAWA):

The Violence Against Women Act (VAWA) provides that an applicant for assistance may not be denied admission to, denied assistance under, terminated from participation in, or evicted from housing on the basis or as a direct result of the fact that the applicant or resident is or has been a victim of domestic violence, dating violence, sexual assault, or stalking, if the applicant or resident otherwise qualifies for admission, assistance, participation, or occupancy.

This provision prohibits Owner/Agent/Management (O/A) from denying admission to, denying assistance under, terminating participation in, or evicting a resident based on an adverse factor, if the adverse factor is determined to be a direct result of the fact that the applicant or resident is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

An adverse factor refers to any factor that can be used as a basis for denying admission or assistance, terminating assistance or participation in a program, or evicting a resident.

Who is protected under VAWA?

This policy is intended to support or assist victims of VAWA crimes and protect victims, as well as affiliated persons, from being denied housing or from losing their HUD assisted housing as a consequence of their status as a victim of VAWA crimes. It should be noted that, although VAWA refers to women in its title, the statute makes clear that the protections are for all residents/applicants who are victims of acts, covered under the Violence Against Women Act, regardless of sex, gender identity, sexual orientation, or age. The O/A understands that, regardless of whether state or local laws protect victims of VAWA crimes, people who have been victims of violence have certain rights under federal fair housing regulation.

VAWA protection are provided to affiliated persons which are defined as follows:

1. A spouse, parent, brother, sister, or child of the victim, or a person to whom the victim stands in the place of a parent or guardian (for example, the affiliated individual is a person in the care, custody, or control of the victim); or
2. Any individual, resident/applicant, or lawful occupant living in the household of that individual.

Form 5380 VAWA Notice and Form 5382 VAWA Certification will be given to all applicants at move-in and to all rejected applicants.

VAWA 2013 does not limit an Owner's/Agent's right to terminate assistance/tenancy if the O/A can determine an actual or imminent threat would be present if that resident or lawful occupant is not terminated.

Any eviction or termination of assistance is initiated only there is no other actions that could be taken to reduce or eliminate the threat, including, but not limited to:

- Transferring the victim to a different unit,
- Barring the perpetrator from the property
- Contacting law enforcement to increase police presence or
- Developing other plans to keep the property safe, or
- Seeking other legal remedies to prevent the perpetrator from acting on a threat.

VAWA protections are not provided to guests, unauthorized residents, or service providers (including live-in aides) hired by the resident. (Refer to Final Rule and HSG Notice 17-05).

Confidentiality

The Notice of Occupancy Rights under the Violence Against Women Act provides notice to the resident/applicant of the confidentiality of information about a person seeking to exercise VAWA protections and the limits thereof. The identity of the victim and information provided to the O/A relating to the incident(s) of abuse covered under the VAWA will be retained in confidence. Information will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is:

1. Requested or consented to by the victim in writing and denote a specific timeframe; or
 2. Required for use in an eviction proceeding or termination of assistance.
- Or
3. Otherwise required by applicable law.

The O/A will retain all documentation relating to an individual's domestic violence, dating violence, sexual assault, and/or stalking in a separate file that is kept in a separate secure location from other applicant or resident files.

Requests & Certification

The person seeking VAWA protections may make a request for a VAWA accommodation in any reasonable manner. The resident/applicant may:

- Complete a VAWA request form (Form HUD 5382)
- Submitted a written request (including email but not texting)

- Make a personal (oral) request either in person or via phone/Facetime, etc.

Once the request is made, the management requires that the applicant certifies their status as a victim of VAWA crime using one of the following methods. Applicants and requests decide which of the following methods is used to certify their status as a victim of VAWA crime or as someone affiliated with the victim of the VAWA crime.

Option 1: When the management responds to a request to exercise protections provided under the VAWA. Management will request that an individual provide the HUD approved form- Certification as a Victim of Domestic Violence, Dating Violence, Stalking or Sexual Assault (Form 5382) to certify status as a VAWA victim or as a person affiliated with a victim. The person seeking VAWA protections may obtain this from the property staff of from HUD's website (www.hud.gov). Management understands that the delivery of the certification form to the applicant/resident via mail may place the victim at risk (e.g., the accused perpetrator may monitor the mail). Management will work with the applicant/resident in making acceptable delivery arrangements. Alternatively, if the applicant/resident has sought assistance in addressing domestic violence, dating violence, sexual assault and/or stalking from a federal, state, tribal, territorial jurisdiction, local police, or court, the applicant/resident may submit written proof of this outreach in lieu of the certification form.

Option 2: Management will accept a federal, state, tribal, territorial, or local police report or court record, other official record documenting status as victim of a VAWA crime or a person affiliated with a victim of a VAWA crime as defined in the policy.

Option 3: Management will also accept a document signed and attested to by a professional (employee, agent or volunteer service provider, an attorney, medical personnel, etc.) from whom the person seeking VAWA protections has sought assistance in addressing domestic violence, dating violence, sexual assault and/or stalking or the effects of abuse. This document must be signed by the applicant/resident. The signatory attests under penalty of perjury (28 U.S.C. 1746) that the professional believes it is the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under the VAWA, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking. Based on HUD's

instruction above, the written statement must be signed, dated, and notarized or witnessed.

The victim is not required to name his/her accused perpetrator if doing so would result in imminent threat or if the victim does not know the name of his/her accused perpetrator.

The person seeking VAWA protections will have thirty (30) calendar days from the date of the written request to provide such certification. This certification may be submitted in an equally effective manner, as a reasonable accommodation, if there is the presence of a disability. If the owner/agent receives documentation that contains conflicting information including certification forma from two or more members of the household each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator. Management will require an applicant to submit third-party documentation, as described above, within thirty (30) calendar days of the date of the request for the third-party documentation.

Inquiries may be made of each applicant to determine whether the applicant or member of the household has been convicted of the illegal manufacture trafficking or distribution of a controlled substance. Applicants may not qualify if they are ineligible as defined in HUD Handbook 4350.3 Rev-1 or they do not meet the resident selection criteria, apartment size criteria, household members' income, verification of income, assets, and expenses, criminal history screening criteria, rental criteria, drug criteria or citizenship criteria. Consideration of extenuating circumstances in the screening process: If the applicant is a person with disabilities, the owner must consider extenuating circumstances where this would be required as a matter of reasonable accommodation.

If the applicant appeals the rejection, the owner's representative must give the applicant, a written final decision within (5) days of the response or meeting. The manager must keep a copy of all information concerning the applicant for future inspection.

A record of applications/ waiting lists forms is to be maintained at the community. Management, HUD and/or KHC will review this at their discretion.

This plan is updated annually and posted at the property as well as given to each applicant in an application packet.
