

Anzena Systems LLC

Capabilities Statement

Anzena Systems' mission is to help enable enterprise, industrial, defense companies, governmental agencies, labs, educational institutions and organizations better secure their Information Technology and Operational Technology networks more robustly, efficiently and simply; and to help our customers unlock the full potential of AI, HPC, Cloud, Edge, IoT and IT technologies to enable greater connectivity and productivity. To help enable organizations to better connect, protect, and thrive in an AI-driven world.

Core Competencies

We offer a wide range of products and services

- AI & Information Technology (IT) hardware and software
- IT and IoT/OT (Operational Technology) cybersecurity products
- Network and cyber-physical security products and services
- HPC, Servers, Networking, Cloud & Wireless infrastructure, Edge
- Data Storage, Data Sanitation & Data Center products/services
- Industrial Control, Audio/Visual, Power & Thermal Management, Connectivity, Cabling, Wiring, Cabinets, Racks & Enclosures
- System Integration (SI), Managed IT Services & Consulting
- Electronic Components, Modules and Semiconductors
- Procurement Services for Commercial and Defense Articles

Differentiators

- Certified SBA Small Business **HUBZone** & CA DGS SB, technical staff
- Mission-specific, custom products & solutions. Financing & Leasing
- Reseller for: Arrow, Carasoft, immixGroup, TD Synnex, Wesco/Anixter

Experience

Key principles have decades high-tech experience & proven success in commercial/enterprise, aerospace/defense & government markets

- Decades of experience marketing and selling to Government, Defense Industry Base (DIBs), and Commercial/Enterprise.
- Over thirty (30) years corporate experience marketing and selling technology products in IT, IoT/OT, cybersecurity, electronics & semiconductor industries.

Company Snapshot

CAGE Code: 04S67 **UEI:** SXXGADSJWXF5
GSA MAS Contract #: 47QTCA25D006F
Authorized Dealer on: TD SYNnex' **GSA MAS Contracts #:** 47QTCA19D00MM, GS-35F0563U, **OMNIA Partners** Contract #R250307, and **Sourcewell** Contract 020624-SYN
DOE-Wesco/Anixter ICPT BOA#: 31-60122
Areas Served: USA Nationwide & Worldwide

Primary NAICS Codes

423430 - Computer & Computer Peripheral Equipment & Software Merchant Wholesalers
 423690 - Other Electronic Parts/Equip Wholesaler
 423610 - Electrical Apparatus & Equipment
 425120 - Wholesale Trade Agents and Brokers
 518210 - Computing Infra Provider, Data Proc.
 334111 - Electronic Computer Manufacturing
 334112 - Computer Storage Device Manufact.
 334118 - Computer Terminal and Other Computer Peripheral Equipment Manufacturing
 334290 - Other Communications Equipment Mfr.
 541512 - Computer Systems Design Services
 541519 - Other Computer Related Services
 561621 - Security Systems Services
 334516 - Analytical Laboratory Instrument Mfr.

Licenses & Certifications:

GSA MAS Contract Holder
 U.S. SBA: Small Business and HUBZone Certified
 U.S. Dept. of State: DDTC ITAR Registered
