# Board Meeting

Southlake County Agricultural Historical Society

May 11, 2026

The meeting was opened by Perry McLemore.

Last month's meeting notes are on line

Lori King read the Treasurer's report.

Motion to accept the report was made by Ron Leighty

Seconded by Jerry McGarr

Approved

Lori King listed the outstanding bills that need to be paid

Are as follows

Rally Production for buttons ,Nipsco,Napa for Harbor rider kits for carb kits

Tires for the power washer and toto ground.

Keys made for the grounds building

Poison for the buildings

Crown Feed for fertilizer

Kelly Miller made a motion to pay the outstanding bills

Seconded by Dave Marten

Approved

## New Business

Up date on planting ,everything needs to be done. We are 3 days later than last year.

The fertilizer was spread ,still needed to get seed to plant . It should take us 4 or 5 hours with the 3 row and 2 row planter. Bill thinks Dave brought the Hydro.

Planting it is.

Work day is May 16 we will meet at 7 :30 at the Sandbar and work on planting

Our spring fling is also the same day we will have that at 12:00

We will have pizza please bring a dish to pass that will go with pizza there will also be tea,lemonade as well as coffee

---

Sunday May 17 is plow days at Buckley. They are doing sheep shearing as well. They want us there around 10:00. They have pre plowed some but there are 2 patches that haven't been done but there is a plow available for us to use as well as his tractor and we brought the 400. Paul will get the oats.

Do we know where we are with the canvas for the binder. Perry said that it was ordered but was wondering if we had a time frame on it. We should have it by Memorial day

Crete is having a Memorial day parade coming up at the end of the month

See Bob if you are interested

A suggestion was made to take an old gravity wagon and put one of our signs on it for parades.

The booklet for the show is going to be reduced by one page. It will reduce the price of the booklet unless someone knows of someone that would like to be in it. The deadline is the week of May 17

We have Culvers mini tractor show coming up. Discussion about handing out old booklet was made because even though it has this years date it may not have the same things happening.

#### SHOW MEETING

The first thing we need to discuss is the gate Sandy Stropky has not been to a meeting in months. She was going to do the gate and Perry is still waiting to hear from her. The gate is the main money maker for us. The only way to handle this is to break it up between a couple of board members for each day. This means that you would be in charge of making sure that everything is covered.

Claire will be running the Kiddie Korral and Pam Heick will be the board member in charge of it.

We will be using wristbands in orange with SLCAHS on them

Motion to adjourn was made by Ron Leighty

Seconded by Kelly Miller

Approved

Meeting adjourned.
