

Tractor Show Meeting 3/23/2026

The Show meeting of the South Lake County Agricultural Historical Society was opened by Perry Mc Lemore

Minutes from the last meeting are online

Lori King had some bill for Via Marketing that needs to have half down to

Motion made by Jerry Heick

Seconded by Dave Martens Approved

Irene Doty gave a rough number of memberships

Gate: Sandy Stropky will be doing the gates for the 2026 Tractor show. The gate prices will be going from \$8.00 to \$10.00 this is the going rate for most shows. Children 12 and under get in free. If anyone has an issue with the price, they can donate whatever they feel is acceptable

Motion made to raise the price of the gate to \$10.00 Dave Martens

Seconded by Jerry McGarr Approved

A discussion was made about the people that are coming into the show that say they are with someone else to help or other things.

For example,

If you are there with a car or a semi the person with that item gets in but anyone else must pay to get into the show.

A suggestion to have wristbands for the show instead of vendor passes and comp tickets because that way there would be for any of the vendors crafters as well as the people that are showing their tractor.

If you come to help someone with a tractor then you are to pay \$10.00 for a wristband. If the wristband is lost, you will be charged \$5.00 to replace it. If it is damaged you must bring the damaged one to get it replaced.

Motion to use wristband was made by Dave Martens

Seconded by Bob Kester Approved

A discussion was made about the use of the wristbands and that we will discuss as the show gets closer.

The board members are to get a book or binder of the contacts as well as set up other items for the show together so that if something occurs, we will have the information available. They are to have at the next show meeting on April 27,2026

Pork Chop dinner

Julie Fritz will be able to handle the dinner. We are looking into the FFA for some help with serving. The cost will be \$20.00 per person

The dinner will consist of

Pork Chops, Applesauce, Cole slaw, Potatoes, Baked Beans, Pie, Drink.

Motion to bring back the Pork Chop dinner was made by Lori King.

Seconded by Ron Leighty Approved

There will be no equipment raffle this year

Motion to not have the raffle was made by Lori King

Seconded by Greg Kleine

South Lake Christian church to do a volunteer dinner again this year on Friday night

Golf Carts have been ordered and taken care of

The booklet only has a page and three quarters left to fill

The tractor games are booked. Going to see if they can also help with the pork chop dinner.

People mover drivers are all set

Need this year's dates made for the big signs

This will be the last year for the group that does the ding-a-ling railroad they are going to retire but will help train someone to do it

We will have an ATM on the grounds this year one will be by the gate, and the other one will be by the corner down from the restrooms

Dave Fritz will not be helping with the electric this year Lori King is going to see about this. The person that we use must be licensed and approved by the fair board

Motion to Argue made by Ron Leighty

Seconded by Greg Kleinie Approved.

Respectively submitted

Pam Heick Secretary
