

Pick School of Ballroom Dancing NC

How to prepare for your first lesson...

WHAT SHOULD I WEAR TO CLASS?

Wear what you feel comfortable in and can move freely in.

WHAT ABOUT SHOES?

Thin soled leather bottom shoes are preferable but not necessary. If you continue with your dancing you may want to purchase dance shoes since they work more easily on the floor and feel better on your feet.

WHAT IF I HAVEN'T DANCED BEFORE?

Don't worry about never having danced before since private classes are tailored to the level of the dancer. The beauty of private lessons is we can move at a pace that you are comfortable with.

DO I NEED A PARTNER?

You don't need a dance partner. You can learn to dance as a single.

HOW MUCH?

1 hour classes are \$50 at my home/\$65 at yours. HAVE OTHER QUESTIONS?
