

Not A Perfect Man (To The Power Above)

Mighty God, Heavenly Father
Thank you for being here with us
and giving us your presence as we speak to you
We pray that you inspire us to share what we have with those around us
We pray you give us courage and, most of all,
fill us with your serenity
I devote my soul to you
to my goal to end world-strife
I search for elusive peace, to you I reach
and give my entire life My soul wants free...

Graceful God, The Power Above, let me reach to you tonight
Can you guide me to your light and love and help me see what's right?
My soul wants free...
'Cause I feel a little lost sometimes and I pray to you for sight
All the times I may have done things wrong, can you steer me through this night?
My soul wants free...

I know I'm Not A Perfect Man
I still need time to figure out who I am
I look to you to understand
Tonight I pledge that I'll do everything I can
My soul wants free...

I ask my past may be my last and my bright new entity
To be filled with bliss and empathy, let me find divinity
My soul wants free...

I know I'm Not A Perfect Man
I still need time to figure out who I am
I look to you to understand

Tonight I pledge that I'll do everything I can

My soul wants free...

My soul wants free...

Our Father, who art in Heaven, hallowed be thy name

Thy Kingdom come, thy will be done on Earth as it is in Heaven

Give us this day our daily bread and forgive us our trespasses

As we forgive those who trespass against us and lead us into temptation

But deliver us from evil, for thine is the Kingdom

The Power and the Glory, Forever and Ever
