

World-Beater

Her rubric is crystal-clear
Unfazed by the punters' cheers and jeers
The zenith is oh so near
No fear, it's just her psyche to steer

Along comes the umpire man
Persist the rumours of cheats and scams
yet she knows she will, she can
Unswerving ever since she began

Through the haze a lucent light
A lodestar on this night of all nights
to guide through her finest fight
She will reach that insuperable height

Late-comers in artless haste
They will not distract her from this race
She does not let nerves surface
but strides on with her World-Beating pace

It all changed when I met you
Jaded soul reborn anew
When my weak heart became strong
it was you who spurred me on

Rules do not restrain you though the masses flock like sheep
Outside of the box you think, your reserves are ocean-deep
Pausing only for to blink, then unwaveringly seek
Even as the others sink, you will scale that mountain-peak

Such a dazzling display

One that only winners play
'cause my weak heart became strong
the moment you came along

It's time to cut to the chase
Nothing can distract her from this race
As she moves with steely grace
now victory will be hers to taste
