

Wali Lathan, is the CEO & Founder of Wali Lathan Speaks and BUTTAH BROS. He is a renowned speaker and educator. He is known around countless communities and platforms for his high-energy, relatable messages, and life-changing interactions. He is described by many as a servant leader, with the perfect blend of confidence and humility. Drawing from his own personal experiences as they relate to struggles from childhood, poor decisions, and other obstacles, he is able to capture the undivided attention of so many people from different cultures and backgrounds, especially our Youth.

Core Competencies and Service Offerings

- Providing services to at-risk / high-risk youth and families
- Professional/Leadership development for educators and youth workers from our highly trained professionals.
- Program development for Faith Based and community-based organizations
- Facilitating workshops devoted to:
 - o The improvement of decision-making and life skills
 - o Culture Enrichment & Exposure
 - o SAT Prep, Academic Support/Tutoring
 - o Information Technology and Entrepreneurship
 - o College/Life Preparedness
 - o Merging Arts Education and After School
