South Jersey Gay Pride 2023 [FOR FOOD VENDORS ONLY]

Any food vendor using the Camden County Parks Facilities must apply to the Camden County Parks Department FIRST and be an approved Camden County Park vendor. SECONDLY, any food vendor using propane gas must have an inspection of their unit will be performed at the Camden County Fire Marshall's Office, and fees paid before the event.

STEP ONE:

PLEASE REQUEST A COPY OF the Camden County Parks Department permit application and vendor guide. REGISTRATION IS NOT COMPLETE UNTIL REQUIRED PERMIT(S) has been satisfied. Failure to comply with event and city regulations will result in the cancellation of the agreement without refund or exchange. This step applies to all food vendors.

Director of Event Operations
Department of Events and Community Outreach
1301 Park Boulevard, Cherry Hill, NJ 08002
856.216.2151 Office | 856.216.2146 Fax

STEP TWO:

This step may not apply to all food vendors – only propane gas vendors. PLEASE REQUEST A COPY OF THE CHERRY HILL FIRE DEPARTMENT REQUIRED permit application and guide for vendors. REGISTRATION IS NOT COMPLETE UNTIL REQUIRED PERMIT(S) has been satisfied. Failure to follow event and city regulations will result in the cancellation of the agreement without refund or exchange.

Anyone not using propane says they usually use a generator, like an ice cream vendor. They do not need a permit. But if they are cooking with charcoal, they must still have an up-to-date and tag and seal fire extinguisher. All vendors using propane must be inspected, enclosed units in the State of New Jersey must be fire suppressed, and all grills and fryers must be free of grease. They must purchase a bottle of leak tech from any plumbing supply company, and the bottles must come down here when they are inspected and be on the scene at all times during the event. Their hoses must be crack-free, and propane tanks must be no older than ten.

Also, if you use a tent more significant than 10 x 10, the Camden County Parks Department and Camden County Fire Marshalls may require a separate permit.

Each vendor must pay a \$54.00-dollar (confirm amount as fees increase each year) cost, and the permit will only be suitable for that day. Please verify the cost with the Fire Marshal's office; the price may have increased or decreased.
