Date:	2204C- 10-19-2022 (MSN/NP) (10/19/22 - 12/23/22)
Type:	MN610: NP III Clinical: Primary Care Focus
Final Completed:	01/19/23 01:03 AM

Graduate Nurse Practitioner Program

General overview

Please note that the evaluation will timeout if left alone for 20 minutes or more. If you need to interrupt your session, feel free to use the "save" feature at the bottom or top of the evaluation. Additionally this is a qualitative evaluation and not quantitative, so the score will always be reflected as "0" as it is irrelevant.

This survey is designed to assess your reaction to certain features of your preceptorship experience. Please respond by placing a mark in the appropriate box to indicate your choice for each item.

Indicate the extent to which you agree or disagree with items 1-21 by using the following response scale:
