**Narrative Description of the Project/Program:**

1. Please describe the nature and scope of your project. Include information about who will be involved, the duration of the project, and what the intended outcomes are.
2. Projects will be funded based on the following principles:
  - a. The creative and innovative nature of the project/program.
  - b. The expected impact on your school and the process of education.
  - c. The expected long-term impact on the students and the enrichment of their educational experience.
  - d. Some priority will be given to schools and/or individuals who are contributing to the foundation.
3. If the project is funded, please designate a time for you to submit a verbal or written report to the foundation describing the success of the project.
4. Generally, grants are restricted to a maximum of \$200; however, larger grants are reviewed and occasionally approved.
5. Please use additional space, if needed, to explain the project, and attach any bid or invoice that you have available at this time.
