

Teacher Grant Application Guidelines

Overview:

The Bear Lake Education Foundation (BLEF) supports teachers in the Bear Lake School District by providing grants for innovative and enriching educational projects. These grants aim to enhance the learning experience, promote educational equity, and foster a community of lifelong learners.

Narrative Description of the Project/Program:

1. Project Description:

- Describe the nature and scope of your project.
- Include information about who will be involved, the duration of the project, and the intended outcomes.

2. Funding Principles:

- **Creativity and Innovation:** Explain how your project/program is creative and innovative.
- **Impact on Education:** Describe the expected impact on your school and the educational process.
- **Long-Term Impact:** Discuss the expected long-term benefits for students and how the project will enrich their educational experience.
- **Foundation Contribution:** Some priority will be given to applicants who contribute to the foundation.

3. Project Reporting:

- If funded, designate a time to submit a verbal or written report to the foundation describing the success of the project.

4. Funding Allocation:

- Grants are generally restricted to a maximum of \$200. Larger grants are reviewed and occasionally approved.

5. Additional Information:

- Use additional space if needed to explain the project.
- Attach any bids or invoices available at the time of application.

By providing detailed project descriptions and aligning with the foundation's mission, vision, and goals, teachers can secure the necessary funding to bring innovative and impactful educational projects to life.

We encourage applicants to contribute to the Bear Lake Education Foundation and join us in our mission to build a thriving educational community in the Bear Lake School District.
